The apartment has a west orientation of 33.5 m² + balcony (5.5 m²) is located on the 4th floor in a new brick building project "Tulipa City" in the street Strnadových in Prague 9, where the approval of the project will take place in the autumn of 2019. part of the apartment consists of a living room (21.4 m²) with the necessary communication for connecting a kitchen and access to the balcony (5.5 m²). Hallway (5.6 m²) with the possibility of placing display cabinets. The bathroom (4.6 m²) has a shower, sink and toilet. The photos are visualizations of the apartment. The Tulipa City project meets the attribute of exceptionality in many ways. It clearly offers what you will not find in any other residential project in Prague - a location. The combination of a quiet life and excellent accessibility to the city center makes this location an optimal place for an active but at the same time quiet lifestyle. Nearby is a bike path, indoor indoor playroom for children Brumbambule, sports complex Freestyle Kolbenka, shopping center Fenix and Harfa Gallery. There are plenty of underground parking spaces for the price of 287,500 CZK including VAT. The purchase of a parking space is not a condition for purchase, unlike the developer's offer, which is an advantage when buying through our company. Parking is so hassle-free in a street that is blind and I park cars there basically just project residents. The price of the apartment includes a cellar. The Tulipa City project will be built with energy label B and will be completed in the autumn of 2019. Excellent transport accessibility: metro line B and tram stop "Kolbenova" are about 3 minutes walk away. One stop by metro or 3 minutes by tram from the future Tulipa City project is the Fénix Vysočanská shopping center with the BILLA supermarket and a network of other shops and services. These also include the stone branches of ČSOB, KB and UniCredit Banka, several ATMs and an equally necessary pharmacy or post office. Total price: 3.090.000 CZK + REA commission It is of course possible to finance the property with a mortgage loan. Are you interested in a tour of the project?
