The Tulipa City project meets the attribute of exceptionality in many ways. It clearly offers what you will not find in any other residential project in Prague - a location. The combination of a quiet life and excellent accessibility to the city center makes this location an optimal place for an active but at the same time quiet lifestyle. Nearby is a bike path, indoor indoor playroom for children Brumbambule, sports complex Freestyle Kolbenka, shopping center Fenix and Harfa Gallery. Parking space in the garage and cellar are included in the price of the apartment. Parking is so hassle-free in a street that is blind and I park cars there basically just project residents. Excellent transport accessibility: metro line B and tram stop "Kolbenova" are about 3 minutes walk away. One stop by metro or 3 minutes by tram from the future Tulipa City project is the Fénix Vysočanská shopping center with the BILLA supermarket and a network of other shops and services.
