## Sale house villa, 510 m2 - Na Dyrince, Praha 6

"Home Real Estate" offers for buy a First Republic multi-generation villa with a total area of 510 sqm with land (1021 sqm), situated in the lucrative city district of Prague 6 - Hanspaulka. The villa is divided into 3 housing units (3+1, 3+1, 2+kk) with 3 bathrooms. The main entrance is situated in Na Piskách street, the other one in Na Dyrince street. The villa was completed in 1934, designed by architect Ladislav Čapek in a non-classical style. Between 1988-2017, several partial reconstructions were carried out, concerning not only the renovation of electricity connections, but also the replacement of roofing, renovation of bathrooms and installation of a gas boiler. However, the original interior and interior elements (windows, doors, floors, interior wooden staircase, facade) were preserved. The villa is located near the famous natural park Divoká Šárka, in a lucrative residential area of Prague 6 - Hanspaulka. The location offers a specific atmosphere and lots of greenery. There are family houses and sports facilities nearby. Total price: on request Available: within 3 months after signing the contract.
